Dear Members of the planning board,

I am Anu Krishnan. I live with my family at 521, Acorn Park Drive.

We received the notification regarding the public hearing for this new development on July 8th. We will be on vacation and will not be able to attend the hearing in person. I would like my concern regarding the access through the Acorn Park Drive to the new development.

The Acorn Park Drive is very narrow. All the children in the neighbourhood play on the streets. Even I am paranoid when I drive through the Acorn Park Drive to get to my house since so many children are on their scooters, bikes or just playing ball. Road accidents involving children is not uncommon. Grady memorial park is a grim reminder. I strongly urge the planning board to come up with a scheme and restrict the access to the Quail Ridge development through the Acorn Park Drive as an emergency access only.

Sincerely,

Anu Krishnan
